*Head not the tail*

**Going Deeper** *God wants you to be amazed at His hand in the life of Israel and to realize that He is with you in your life as well! (Is 45:21-22)*

*Our Vision- Striving to be Disciples who make Disciples*

*Martin Luther on the Jews:*

*“If the Jews are Abraham’s descendants, then we would expect to see them back in their own land. We would expect them to have a state of their own. But what do we see? We see them living scattered and despised.”*

As cited in Halvor Ronning, *The Land of Israel: A Christian Zionist View*,” *Immanuel* 22/23 (1989): 132.

*“One of the greatest of the English Puritan theologians was Postmillennialist John Owen (1616–1683) who wrote, ‘The Jews shall be gathered from all parts of the earth where they are scattered, and brought home into their homeland.’ Other key figures during this period (many Postmillennialists) who published works (dates are dates of publication) arguing for the restoration of the Jews to the Land of Israel on a biblical basis were Francis Kett (1585), Edmund Bunny (1584, 1588), Thomas Draxe (1608), Thomas Brightman (1609), Joseph Mede (1627), Giles Fletcher /Samuel Lee (1677), Henry Finch (1621) John Milton, John Bunyan, Roger Williams, John Sadler and Oliver Cromwell.”*

**“Is the Modern State of Israel Prophetically Significant?”** article  
Dr. J. Randall Price (p.5).

**Quote from Clarence Larkin- published 1918,**

***“The Greatest Book on Dispensational Truth in the World”***

*“If it were suggested that we discuss the future of any other nation than the Jewish nation, I for one, would not attempt it, for the task would be simply a speculative one, based on probabilities that would be likely to be upset by unforeseen circumstances. But the Jewish nation has the unique distinction of having for its historian the “Holy Spirit,” who has not simply recorded the past history of that nation, but has outlined its future.*

*We indulge then in no idle and profitless speculations when we attempt to forecast the future of the Jewish People. All we have to do is to gather together and place in their logical order what the Holy Spirit through the Prophets, has foretold of their future. The method is as simple as the result is sure.”* (pg. 63)

Sir Robert Anderson, *The Coming Prince* (published 1894).

*On Ezekiel 37:11-12:*

*What the passage means is that God is going to bring back His people Israel, who are buried in captivity in the “Graveyard of Nations” and place them again in their own land.* (pg. 64)
